

## Accolades unveiled: Dynamic logistics excellence

Embark on a journey through excellence with **Dr. Pushendra Pratap Singh** as he shares insights from his myriad accolades, unveiling the keys to his distinguished success and their profound impact on the logistics industry.

In a recent interview, **Dr. Pushendra Pratap Singh**, Country Head, Asia Shipping, shared insights into his recent achievement: the **'International Business Doctorate'** in Shipping & Logistics from the World Peace Nations University of the United Nations. Reflecting on the profound influence of his recent achievement, he highlighted the challenges of cross-border logistics, expressing gratitude for the bestowed honour. With a strategic vision, he aims to leverage this knowledge for Asia Shipping's expansion in India and the world, fostering successful international ventures and offering strategic support to elevate customer businesses globally.

### CSR commitment

Recognised as the **'Best Social Entrepreneur of the Year—2022'**, Dr. Singh seamlessly integrates his 25 years of shipping and logistics expertise into his commitment to both the industry and society. He demonstrates a strong commitment to corporate social responsibility (CSR) and considers community service as a fundamental value driving positive change.

Actively engaging in a spectrum of philanthropic activities, he invests significant time in social work alongside his pivotal role in the corporate domain. Dr. Singh's commendable contributions have garnered recognition on multiple occasions, including the **'India Responsible Leaders Award'** by India CSR and the **'Business Leader and CSR Visionary of the Year Award'** by Cargo Insights.

### Accolade maestro

A luminary in the shipping and logistics sector, he stands as a testament to exceptional knowledge. His

**"A passionate CSR advocate seamlessly integrates it into daily business operations"**

distinguished profile boasts titles such as **'Bharat Shree,' 'Bharat Gaurav Shree,'** and **'Icon of Asia-Business Mentor of the Year'**, along with the **'Best Social Entrepreneur'** award from **Dr. Kiran Bedi**.

Acknowledging awards as catalysts for industry welfare, Dr. Singh actively shoulders the responsibility of providing guidance, feedback, and support to mentees as a counsellor or advisor. In 2022, he achieved **'Business Mentor of the Year'** at the MSME India Business Awards and topped **'Sales Excellence 2022'** at Asia Shipping India for exceptional business growth. He was also honoured with the prestigious **'Corporate Leadership Excellence Award 2023'** from Global Employer Events and Business Nation TV, highlighting his steadfast commitment to industry progress.

### Global collaboration

Dr. Singh shares insights from his international partner network, emphasising critical factors for successful collaborations in global business expansion. With vast exposure, he highlights the importance of aligned business visions, ethical values, and collaborative leadership that foster honesty and trust for win-win outcomes. He advocates for a mutual vision and fixed consolidation services, ensuring efficacious global collaborations. In shipping and logistics, he advocates knowledge-sharing platforms, transforming individual expertise into corporate wisdom.

These forums enhance clarity, maximise value, and engage employees in decision-making, fostering a culture of creativity and development and elevating the industry's structure and focus.
